

Date _____

The exercises are as follows:

- 1. A single diagonal stroke with a downward arrow.
- 2. A curved stroke starting from the bottom left, moving up and right, then curving back down. Labeled (1).
- 3. A loop shape formed by two curved strokes. Labeled (1) and (2).
- 4. A more complex loop shape formed by three strokes. Labeled (1), (2), and (3).
- 5. An oval shape formed by two curved strokes. Labeled (1) and (2).
- 6. A thin oval shape formed by two curved strokes. Labeled (1) and (2).

This enclosing thin stroke is just to demonstrate the oval shape.

These enclosing thin strokes can also be executed top-down, without putting pressure on the pen.

You can either start with the shade or the thin stroke.
